Goals on the IPDP must align with the School Counselor Standards. Goals must be written as SMART Goals – list how the professional development will be taken (College course work/workshops, etc.)

Standard 1 - Comprehensive School Counseling Program

Write Smart Goal Here I will participate in college course work and workshops to develop a comprehensive school counseling program serving to meet the needs of every student in the school community by 2023.

Standard 2 - Direct Services for Academic Career and Social-Emotional Development

Write Smart Goal Here I will attend college courses and workshops to promote academics to help students build knowledge and skills in order to set goals and solve problems related to their academic, career and social/emotional development by 2023.

Standard 3 - Indirect Services - Partnerships and Referrals

Write Smart Goal Here I will attend college courses and workshops to foster open communication and collaboration among school, home and community in order to build trust and partnerships by 2023.

Standard 4 - Evaluation and Data

Write Smart Goal Here I will attend workshops and university courses to understand how to use data to plan, implement and improve the school community by 2023.

Standard 5 - Leadership and Advocacy

Write Smart Goal Here I will attend workshops and university courses to promote the well-being of each child by promoting programs and policies that are equitable and safe to promote a positive learning environment by 2023.

Standard 6 - Professional Responsibility- Knowledge and Growth

Write Smart Goal Here I will attend college coursework and workshops in order to focus on supporting students academic, career and social/emotional development to improve student achievement by 2023.

Standard 7 - Metric of Student Outcomes

Write Smart Goal Here
